

## Student Alabama Packing List

**All equipment should fit into ONE duffel bag and a back pack.**

It is also wise to label important items with your initials or name.

Please do your best to pack using the following list as a guide:

- 2 pairs of long pants
- 2 or 3 pairs of shorts
- 1 pair of sneakers or rubber soled shoes (Crocs are great if you have them b/c they can be worn with socks too)
- 4 or 5 shirts (long and short sleeved)
- underwear, socks
- hooded sweatshirt or jacket
- foul weather gear (waterproof or repellent jacket at least)
- warm pajamas or sweat suit for sleeping (although cabins tend to be warm)
- bathing suit / beach towel (Janice likes a chamois b/c it's quick drying)
- toothbrush, toothpaste
- hair brush
- sun block
- hat
- plastic bag for wet clothes/good for packing dirty clothes
- fishing pole, drop line, frozen bait, instrument, and/or card game to share (optional)
- waterproof or disposable camera (optional)
- small reading light and/or flashlight/reading material

### **IMPORTANT ADD ONS...**

- glass bottle with a cap (for message in a bottle) ex. Arizona ice tea bottles work well
- \$5 for ice cream IN CASE we travel to a harbor where we can get off the boat

If students take any medications, Nurse Janice will keep it.  
Please share health conditions/concerns with Janice.

The weather will be fickle in September, so it is wise to be prepared with a variety of clothes and outerwear. When things get wet, they generally stay damp.

There is a tendency to over pack and it only makes more work for you to keep your cabin space shipshape.

**Do not pack electronic games, candy, cell phones, Ipods**
